Subject – Delay in Labour License

Respected Sir/Ma'am,

This to bring into your kind notice that I was not having enough labour power before March'19. Therefore the labour license was not required.

Hence we have applied for the labour license Application Number – 50700000002032 on March 14,2020. We apologize for the delay in applying for the labour license we would be highly obliged if the sanction of the labour license could be possible at the earliest.

Thanking You,

Yours Truely
